Dear Lory,

The continuing members of the committee on the ministry who will make a recommendation on the an-care question are:

Robert Anderson (convenor), Carol McCracken, Arlene Page, Nancy Smith from section A and Ron Barton from section B. Ron will be joined by new member Carol Astlund. They will

meet this Friday, May 13.

Bob Richter will be the new chairman of section A after state conference meeting next week.

I have not found time yet to write the letter to the church which Bill requested.

you will have a copy when
that is sent.

My continuing good wishes
to each of you. I am grateful
for all you have shared with
us of your very serious
and pertinent questioning.

Faithfully,

Mary
