We are requesting from the Committee on Ministry recommendations for ordination in the United Church of Christ for each of us. It is our hope that our collective process will be blessed and affirmed as being appropriate and integral to our vision of ministry. We are not asking that the "collective" be ordained.

Part of our covenant with one another is a commitment to be ordained together. It is out of this covenant that we are able to say that we will wait for each of us to meet the requirements for ordination. This is in no way intended to influence the decision making process of the Committee.
