Dear Friends:

It is with a sense of anticipation and gratitude that I write this letter informing you of the action of the Board of Directors of The Center for Environmental Action with regard to employing Loey Powell.

At our annual meeting, on Saturday, February 18, the Board of Directors took the following action: "Motion made, seconded, and unanimously passed that The Center for Environmental Action employ Loey Powell as Staff Associate for C.E.A., Northern California region, under supervision of the Executive Director."

As I indicated in my earlier letter to the Committee on Ministry, we are looking forward to Loey's participation in our ministry of eco-justice/ environmental stewardship, as she begins her work amongst the churches of the Northern California region.

Faithfully,

Dick Sample
